OBITUARY.

Mr. Edward Myall, father of Mr. William Myall of this city, died Sunday in San Francisco at the advanced age of ninety-two years. Mr. Myall was one of the five charter members of Bourbon Lodge, I. O. O. F., of this city, it having been instituted in 1844. The other four charter members were J. V. Lovely, Jas. T. Davis, W. W. Fothergill, and Samuel Allison. Of this number Mr. J. T. Davis is the only survivor.

Mr. Myall has frequently expressed a wish to again visit his old home, but said he feared his advanced age would prevent him from doing so. His remains were interred at San Francisco.

Mr. Myall at one time represented Bourbon County in the State Legislature, having defeated Mr. Horace Miller for the office. He was the oldest Odd Fellow in the State of California, and at the recent meeting of the Grand Lodge of the State he occupied the post of honor.

Thomas Blake, a well-known and respected farmer, died suddenly at his home near Centerville yesterday, aged 77 years. He leaves a wife, two sons, Edward and John, and two daughters, Miss Maggie, and Mrs. Burke, wife of Deputy Sheriff of this city.

Matrimonial.

The date of the marriage of Miss Lucy Alexander and Mr. William Simms, of Paris, is set for Saturday, October 5th. It will be the anniversary of the union of the bride's parents, Mr. and Mrs. A. J. Alexander, and at Woodburn, their handsome country mansion in Woodford county. The hour will be at high noon and there will be a dance of honor and four bridesmaids. They will make their home in Lexington.—Lexington Leader.

Births.

Friday, to the wife of T. F. Brannon, a son.

The Kentucky Midland.

There is considerable speculation as to the purchasers of the Kentucky Midland Railroad, and as to what they will do with the road. Mr. Harper, the manager, says the road is to be extended, though no information is furnished as to the nature of the extensions. It is understood that there is ample capital at the back of the road, and that it will be made a much more important property than it has been in the past.—Georgetown Times.

We are still making high grade photos Call and see the latest. Everything strictly up-to-date.

L. GRINNAN & SON.

THE longest word known is the Greek word for salt. It is composed of one hundred and seventy-two letters, and Tom Davis, of the Maysville Ledger, says this Greek name may have promoted Mark Twain's refusal to eat hash abroad because he did not know what it was made of, or to eat it at home because he did not know what it was made of.

The word is as follows; and can be found in Liddell and Scott's Unabridged Lexicon:

"Lepidotamachoselachogaleokraniolepeandrimupotrimmatosilphioparabomelitokatakechumenokhekheikossuphophattopeteristalektrunonoptokhephallionkgklopeteilagooisrarabaphetraganopterugon.

How To Gain Flesh

Persons have been known to gain a pound a day by taking an ounce of SCOTT'S EMULSION. It is strange, but it often happens.

Somehow the ounce produces the pound; it seems to start the digestive machinery going properly, so that the patient is able to digest and absorb his ordinary food, which he could not do before, and that is the way the gain is made.

A certain amount of flesh is necessary for health; if you have not got it you can get it by taking

Scott's Emulsion

You will find it just as useful in summer as in winter, and if you are thriving upon it don't stop because the weather is warm.

"I wish to state to you and the readers of these few lines that your Kodol Dyspepsia Cure is without question the best and only cure for dyspepsia that I have ever come in contact with and I have used many other preparations." John Bevin, West Middlesex, Pa. No preparation equals Kodol Dyspepsia Cure as it contains all the natural digestants. It will digest all kinds of food and can not help but do you good.—W. T. Brooks

The small bills and railroad tickets that have been placed around town the last three weeks and have caused no end of wondering and guessing on the part of our citizens, have at last been solved by the announcements on the bill boards and windows, of the coming of the Who What When Minstrels, at the Opera House next Monday night, and will, no doubt, be witnessed by one of the largest audiences of the season. Seats on sale Friday morning

STOPS PAIN

Athens, Tenn., Jan. 27, 1901. Ever since the first appearance of my menses they were very irregular and I suffered with great pain in my hips, back, stomach and legs, with terrible bearing down pains in the abdomen. During the past month I have been taking Wine of Cardui and Theodor's Black-Dracht, and I passed the monthly period without pain for the first time in years.

NANNIE DAVIS.
